

Junior Learning Grid Term 3 2022 no.2.

If you have any queries or questions regarding our choice board feel free to message on Seesaw or email your classroom teacher.

Please take a photo or video of any work you want to share and upload it to Seesaw.

Use a cookbook to bake a recipe.

Hide five toys around your house. Create a scavenger hunt with clues for someone to find them.

Write instructions on how to make your favourite Sandwich.

Read a book to or with your whanau

When are your family's birthdays? Put them on the calendar.

Find 5 different containers around your house that hold less water than a bucket?

Measure your family. Who is the tallest? Who is the shortest?

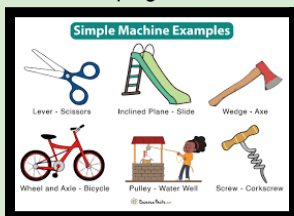

How many steps does it take to walk all the way around the outside of your house?

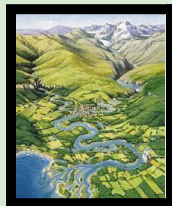

What simple machines can you find in your house?

A simple machine is something that helps you do a job easier and doesn't plug in.

Where does a river start and where does a river end.

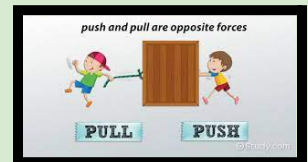

Draw a diagram showing this.

Make a lego object and see if it floats or sinks. If it sinks, work out how to make it float.

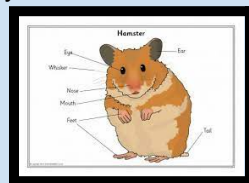

What can you push or pull? Draw five things at home, that use force to move. (push and pull.)

Go for a walk around the block and see if you can find some flowers. Put them in between two bits of paper and put something heavy on top. After a week, use the flowers to create a picture.

Draw a picture of your favourite animal. How many body parts can you label?

Draw your favourite animal. Combine the features of two animals into one new animal.

Make a rainbow by using objects from around your house.
