Dear Parents

**Fonterra Milk for Schools Programme**

Our school has been invited to join the Fonterra Milk for Schools programme.

Fonterra Milk for Schools will:

- Deliver Year 1-6 children a pack of Anchor Lite UHT milk to drink at school.
- Supply a free fridge to chill the milk.
- Collect used packaging for recycling.

Fonterra Milk for Schools is all about growing healthy children; and milk contains essential nutrients for growth and development. The natural nutrition of milk gives children calcium for building bones and nutrients they need for sustained energy, concentration and learning in the classroom.

Participation in the programme is entirely voluntary - both for our school and students. We will be offering the milk to children three times a week, Mondays, Wednesdays and Fridays. The programme will begin on Wednesday, 26th May 2014.

If you would like more information about the programme, visit [www.fonterramilkforschools.com](http://www.fonterramilkforschools.com)
