Dear Parents,

Guiding Principles

Our beliefs become our thoughts,
Our thoughts become our words,
Our words become our habits,
Our habits become our values,
Our values become our destiny.

- Gandhi

For the past few years as a community we have been imagining our dream school. We have been discussing what we believe about teaching, learning and our school's purpose. Through all these discussions we have been building a common set of values that as a community, we want to grow in our school. This year we have started developing a set of principles that encompass our vision for our school and the values that our community hold. I'd like to start sharing these in newsletters so we can continue to build and develop these and what they mean to us at Silverdale.

"Making a Positive Difference"

PhotoLifeStudios - Photo Day is Next Wednesday, 6th June

This year you will be able to view and purchase your child's photos online. Class and individual photos will be taken of all children present next Wednesday. If you would like a sibling photograph taken, pick up a Sibling Photo Booking Form from the School Office BEFORE Photo Day. RETURN the signed Booking Form listing your children's names and room numbers to the School Office BEFORE Photo Day. If there is NO SIGNED FORM, THEIR PHOTOGRAPHERS ARE NOT AUTHORISED TO TAKE A SIBLING PHOTOGRAPH.

New Website

We have now launched our new school website. This is still in the process of being built and added to - but it's all live now! Log on to www.silverdale.school.nz to check it out. You can also reach the classroom blog sites through our website. Some classes are using blogger and some SeeSaw - if you're unsure of a password or how to access these, please see your child's classroom teacher.

Classroom Item - Room 8

Assembly was cancelled on Friday due to bad weather. Room 8 children were going to present an item with Room 6/7 to show off the musical instruments they made, and sing and play along to "Galoop went the little green frog". We had to do it inside our classroom instead, but we still had fun.

Thanks to Mrs Morgan and Mrs Moetara for making the instruments with the children.

He Papa Tikanga

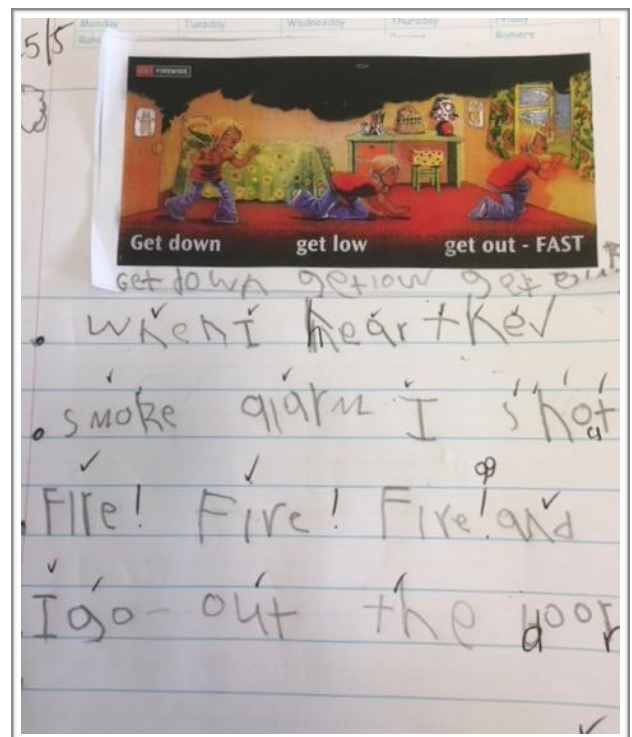

Last night an enthusiastic group of parents and

teachers met our Kaitiaki from Te Wananga o Aotearoa and embarked on a year long journey to build on our knowledge of Tikanga Maori. We started by looking at our whakapapa and making connections - turns out it's a very small world! We'll be meeting up every few months as a group to go over our learning.

Get Fire Wise

All of the children in the Junior School were lucky enough to have a visit from two firefighters on Monday. The firefighters spent time in each room finding out what the students had learnt so far about being safe and what to do if there was a fire.

The firefighters also shared some resources and information to make sure that our learners are fully informed and prepared. This is a very important unit that the children are embracing wholeheartedly. Please reinforce learning at home by completing the activities in the "Get Fire Wise" homework book.
