### **School Enrolment Scheme**

Silverdale Normal School has now officially been given an Enrolment Scheme (school zone) that comes into effect at the start of Term 4 this year. This means that from Term 4 onwards, families who reside outside of the zone will need to apply to be included in the ballots that will be happening on a term by term basis. More information on our zone will be available soon on our website including how to apply. For now, the easiest thing would be if you know of anyone thinking of enrolling from out of zone at Silverdale for Term 4 or beyond, please invite them to call the office for more information.

### **Pasifika Performance Group**

Our Pasifika Performance group performed in the 2nd Annual Tamaiti Pasifika celebration hosted by Talents of the Pacific Academy (TOPA) last Saturday. They were stunning in their polished performance, beautiful singing and big smiles. We were very proud to see them represent the school so well in their four items.

They gave an excellent example of mahi tahi in the way they each did their personal best to create an amazing group performance. Join us in 6 weeks to see them in action at our Cultural Evening... Details coming soon.

### **Calendar Art Advance Notice**

Our Silverdale learners have been working hard creating some amazing art work to be turned into a calendar, gift card, diary, sketchpad or mouse pad. Order forms will come home during the first week of Term 4. Samples of the various products will be on display on the front desk of our School Office.

### Duffy Role Model Assembly

Last week at our Duffy Role Model Assembly we were very lucky to have Scott Parry and Michael (Mig) Rumney from the tv show Fishing & Adventure come along to school with their fishing boat. There were a lot of excited children and staff to meet them. It was great to learn how reading has helped them in developing their careers and inspire more of our tamariki to pick up a book and read.

"Everything's changed" says John after a game of hide and seek goes wrong!

Finding themselves in the magical land of Theandrican, John, Linda and Zara are racing to find their way back home. Will they avoid being trapped in the evil Wizard Snottlegrot's swamp? Will the people they meet be able to help them? Can The Professor's invention or the wise words of Patra provide the help they need? Will a sprinkle of magic be enough?

To find out, come and join Stories and More for Theandrican.

A play in two acts with an interval, the cast includes children from their drama classes and adults from the Hamilton theatre community. With the usual *Stories and More* twists and turns and the odd surprise, Theandrican is suitable for families and all ages from 5 years up.
