Dear Parents

Community Picnic - Will now be held at 5.00pm tomorrow night, Thursday, 12th March.

Due to the weather forecast, we will now be gathering as a community here at school tomorrow night to have a relaxed picnic together. This is a great opportunity to meet new families and make connections through out our community. The camp meeting will also now be held tomorrow night.

Gully Walk

The Middle School enjoyed their Gully walk trip last week! We got to learn more about the history of the Gully, the Native plants that are being preserved, and the pesky weeds and plants we don't want taking over! Special thanks to George Lusty and Mr Lind for your expert knowledge when we were down there!

Senior School Camp

The Year 5 and 6 children will be embarking on an outdoor education experience to Waihi Beach next week from Tuesday, 17th to Friday, 20th March. It will be a fantastic learning opportunity for our learners.

Middle and Senior School Swimming Sports

Last Friday, the Middle and Senior School enjoyed showcasing their swimming skills at the University Pool. We swam freestyle, backstroke, breaststroke, had a go at swimming 50m or 100m without touching the bottom of the pool and showed how water confident we have become. It was a fantastic day that ended with a free swim and the option to bomb or dive into the deep end or diving pool. A great day was had by all!

"Making a Positive Difference"

Congratulations to our two Silver Medalists

Sophia (Room 12), a member of the Hamilton City Gymnastics club and the trampoline competitive squad, recently competed in Gisborne in the 11 to 12 year old girls' competition. Sophia and her partner, Emma Lee, were placed 2nd in the synchronised trampoline competition. A number of clubs from around New Zealand competed. Well done Sophia!

Ms Goudie trialled and was selected to represent Waikato at the New Zealand National Masters Hockey tournament in Christchurch. The Waikato team had a very successful week beating Auckland, Manawatu and Canterbury and drawing against North Harbour. They had a very tough game against Tasman and lost 2-1 but thanks to all their hard work practising and training this still meant they came home very proud winning a silver medal! Yay, Carla!

Positive Parenting Programme

Samantha Rose, from Shama, will be running an information night on the Triple P course (Positive Parenting Programme) on **Wednesday, 25th March** here at school in our Meeting Room from **6.00 to 6.30pm**. This is a wonderful opportunity to hear from Samantha about this highly successful programme and see if this could work for you. Please read through the attached flier for more information. If you would like to attend the presentation at school, please email Bernie Moffat (berniem@silverdale.school.nz) with how many will attend. We will also provide supervision for children on the evening.

Pavement Painting

Thank you to all those parents who helped with the first session of payment painting - you did a great job! This Friday (13th March) we are completing our pavement painting working bee. If you are keen to help with taping and repainting the last few games, meet on the pavement outside Room 14 at 3:00pm on Friday. We will have all the tape and paint needed. See you there! If you have any more questions email Chloe, chloes@silverdale.school.nz

Breakfast Club

Our school kitchen is open from 8.30am and is supervised by staff. We have a permission form that needs to be filled in by parents and returned to the School Office if you wish your child to attend Breakfast Club - this helps us to know how much food to organise. Forms are available from our School Office.

Issue 2 flier should be sent out today. Orders are due back by Wednesday, 25th March.

Our School Newsletter

This is issued on a Wednesday, fortnightly. It is emailed to families who have provided us with an email address. A printed copy is given to the eldest child in each family. It can also be downloaded in colour from our school website or viewed on our school app.
